

More

Piano introduction in 4/4 time. The right hand plays a steady eighth-note melody. The left hand plays a simple harmonic accompaniment with chords marked with the number 8.

Stick me in the mid - dle where the mess is dense,
Stick mewherethe hurt hoots and where the joy bursts,

Vocal line with lyrics and piano accompaniment. The piano part continues with the same harmonic accompaniment as the introduction.

Stick me in the mid - dle where the high - er ground's too high for us all, and
Stick me in a gum - nut to weave till I turn blue, where

Vocal line with lyrics and piano accompaniment. The piano part continues with the same harmonic accompaniment.

I can't breathe for the feath-ers, and I can't breathe in this weath-er stick me in
I can't breathe for the feath-ers, and I won't breathe till I'm bet - ter stick me in

Vocal line with lyrics and piano accompaniment. The piano part continues with the same harmonic accompaniment.

right in the mid - dle — right where the heart - ist wran - gles, woun —

— ded. And the paint stains ev - e - ry claw, I want more

ev - e - ry - claw — In this world I want
From this world I want

1.
more.
more.

2.

more.
more.

I don't wan-na waste my time my time is dwin - dling, I'm in the mak

- ing, not the made (Stick me there).

Let me be a ma-ker with you, stick me in the bits you can't see through and

I will fol - low the wrens, in and out,

bob and bob, brushstroke and twit - ter, un-til we tire, and

I can't breathe for the feath-ers, and I won't breathe till we're bet-ter stick me in

right in the mid - dle, right where the art - ist wran-

- gles, woun ded. And the paint stains ev - e - ry claw,

I want more ev-e-ry-claw

In this world I want more. In this world I want

more. In this world I want more.
